THE LAMP 1992

# West Side High School Newark, New Jersey

The Lamp 1992

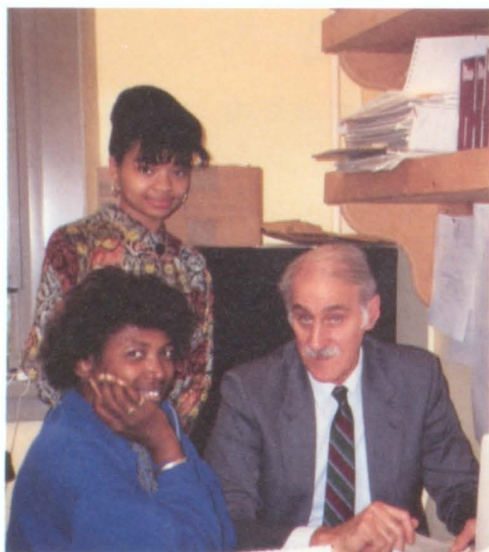

"It was the best of times; it was the worst of times" . . .  
We dared to be different . . . we dared to remain true to  
ourselves . . . We were the class of 1992.

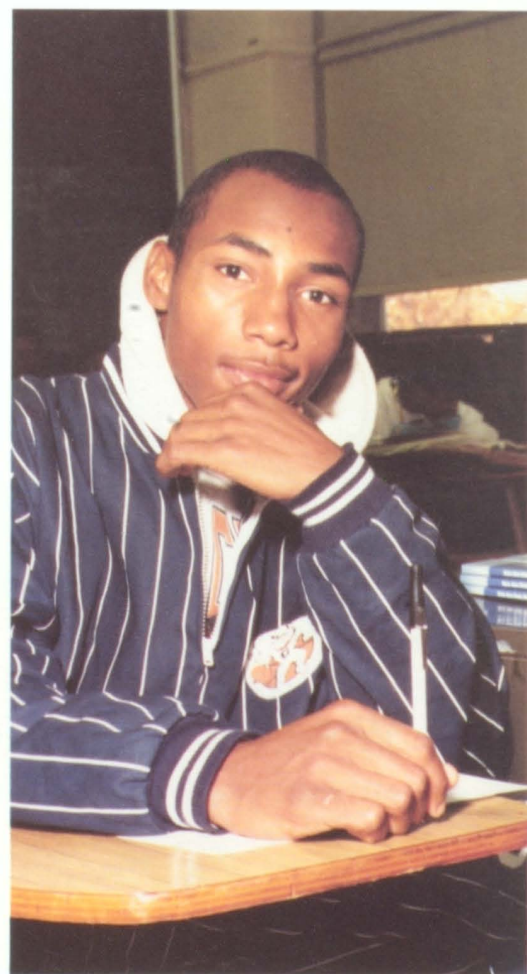

Wearing shades of violet on Shadow Day, Tikesha James, Regina Wicker and Yesenia Pagan show us what faithful friends they are.

On Role Playing Day, Rudella Deans gets some pointers about scheduling from Mr. Peloso, as Mrs. Fullilove appears to be totally amused.

Sporting red are Crystal Brown and Jocelyn Nowell a dynamic duo headed for Ramapo.

In a very pensive mood, Derrick Butler attends to the task at hand.

Every day is Dress Up Day for Michael Bryant!

## Spirit Week

We dared to schedule as many activities into Spirit week as we could! Role Playing Day, Shadow Day, Multi-Cultural Day and T-Shirt Day to name a few. On Green and White Day the entire school showed spirit by wearing our school colors.

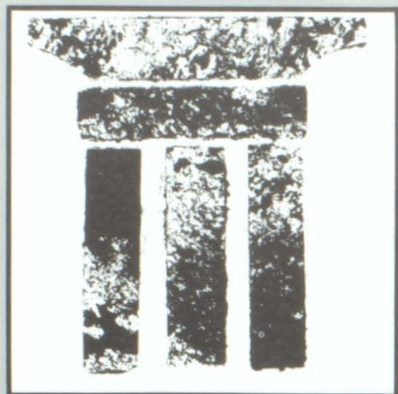

With her best friend and shadow, Melissa Orna, Cabral Miller show-off their matching T-Shirts.

On Multi-Cultural Day Constance Downing wore a dress made of traditional African Fabric.

# Roughriders

We dare to be  
Roughriders in  
everything we do!

Roxanne Tappins is escorted to the homecoming game by Kawan Burns.

Marvin Bennett strikes a photographic pose as he goes for a field goal.

Mr. Stoney as host of the Miss West Side Pageant was almost unrecognizable without his track suit!

Green and White day becomes Shadow Day for Rasson Herrill, Keva Wilson, Antwan Crandell and Sheila Powell.

Having fun in the cafeteria are Danielle Sellers and friends.

"Me and My Shadow" sing Leyla Paredes and Alexandra Bonhomme.

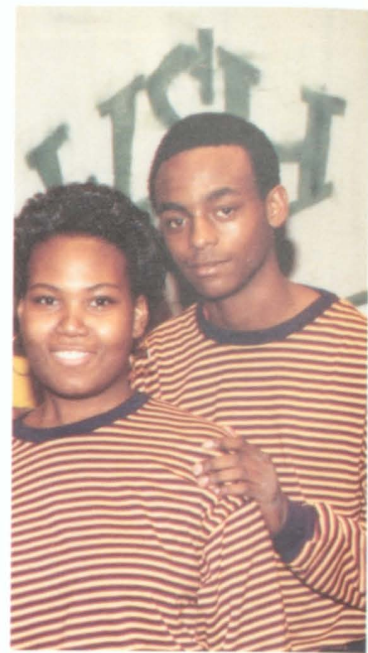

# West Siders

We dare to work and  
play hard. West Siders  
to the end!

We are like two peas in a pod say  
Terrence Tiller and Jorelle Green.

Working hard is all part of the day  
for Malik Fogler and Tanya Preston.

Shadow Day produced a lot of bookends but none as cute as Sharmika Fowler and friend.

As Mrs. Summers supervises, this student makes a poster for the Pep Rally.

While Nerisa and Natasha Waterman wear matching shirts, all three girls wear winning smiles.

West Sider Marvin Bennett plays hard.

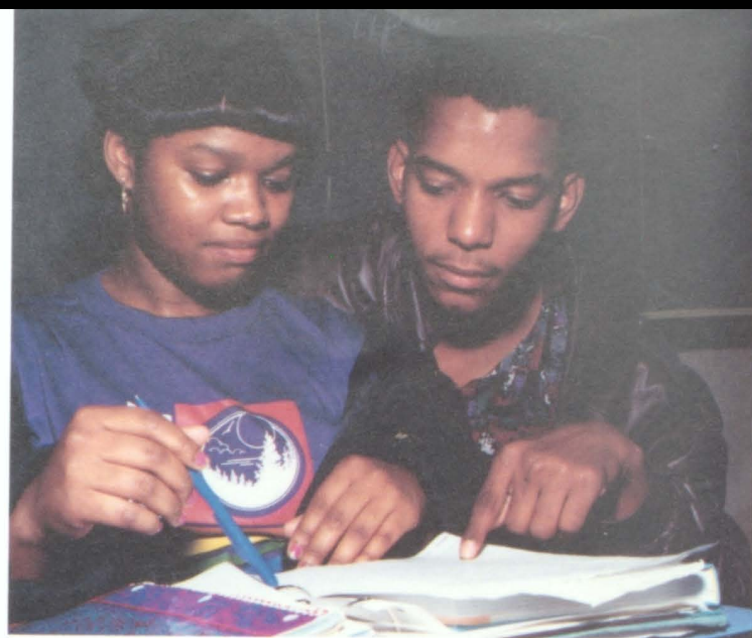

Helping Melissa Orna understand the assignment is her friend Rabb Ali Muhammad.

Congratulations are in order for Edward Wilson who spent the day as Mr. Potts.

Miss Cato shows Leyla how to use the copy machine.

Danielle Daugett reads during a quiet moment.

Singing is one of Javonda Tate's special talents.

Nathaniel L. Potts, *Principal*

Dear Seniors,

My message to you is taken from the poem "BE A WINNER", by Mychal Wynn a young and gifted black poet.

If all around you are quitting, as they sometimes do,  
If your critics are many and friends are few  
If obstacles confront you at every turn  
Remember the lessons that Winners learned . . .

To stop and quit you will never win,  
Until you decide to try it again  
When life's little hurdles slow you down  
Just steady your pace and hold your ground

Hold fast to your dreams as they can come true  
When you do the best that you can possibly do  
To win you must believe that you will not fail  
Perseverance is the breeze that fills your sail

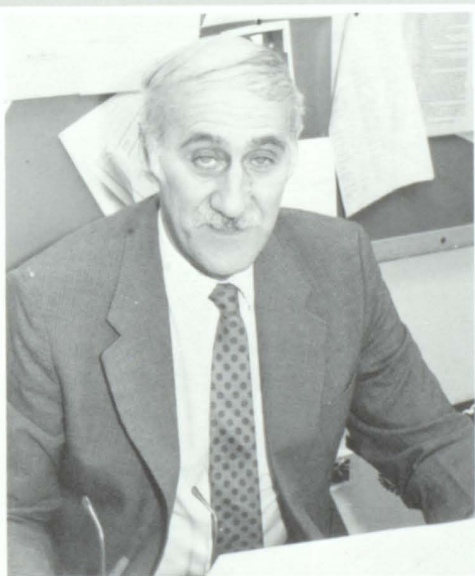

Although the unexpected may rock your boat  
Winners will weather the storm remaining afloat  
Conceive it, believe it, and know that you can  
Continue step by step according to plan

Stand up and be counted so that the world will see  
That you believe in becoming the best you can be  
Accept the challenges of life and you'll continue to find  
. . . it's merely a state of mind

In closing may I take this opportunity to extend to each and every member of the graduating class of June, 1992, my most sincere wishes for success in all your future endeavors.

Peace and Love,

In this fast paced soccer game Neil Kelly and Michael Henry get the ball away from the opponent.

Protecting the ball during play isn't always easy.

Neil Kelly nonchalantly dribbles the ball down the playing field.

Jones Bardouille smiles as he closes in on the goal.

With great effort Rohan Cassells keeps opponents from scoring.

# Oh, Alma Mater West Side High

In morning light and evening fall,  
Through all the days of coming years —  
In times when glowing futures call —  
In hearts with laughter and with tears,  
Our love for you will never die,  
Oh Alma Mater, West Side High.  
Our love for you will never die,  
Oh, Alma Mater, West Side High.

This love we have for you has grown  
More bright than any treasured gold,  
It deepens through each friend we've known,  
Each truth that to our hearts is told.  
Within the shelter of your walls,  
Within the rooms where wisdom calls.  
Our love for you will never die,  
Oh Alma Mater, West Side High.

Though we have need to wander far,  
Close in our hearts your name will be,  
Your goodness, like a radiant star,  
Will rise with every memory,  
And having these sweet dreams of you,  
We shall remember and be true.  
Our love for you will never die,  
Oh Alma Mater, West Side High.

In morning light and evening fall,  
Through all the days of coming years,  
In times when glowing futures call,  
In hearts with laughter and with tears,  
Our love for you will never die,  
Oh Alma Mater, West Side High!  
Our love for you will never die,

The tranquil site of this year's Peer Leadership conference left us with a lasting impression.

Supremely happy about finally getting off the bus are peer leaders Everett Godbold, Rudella Deans and Javonda Tate.

Mrs. Holloway and Ms. Roché are pleased with the tree trimming as they anxiously await an arrival from jolly old Santa Claus!

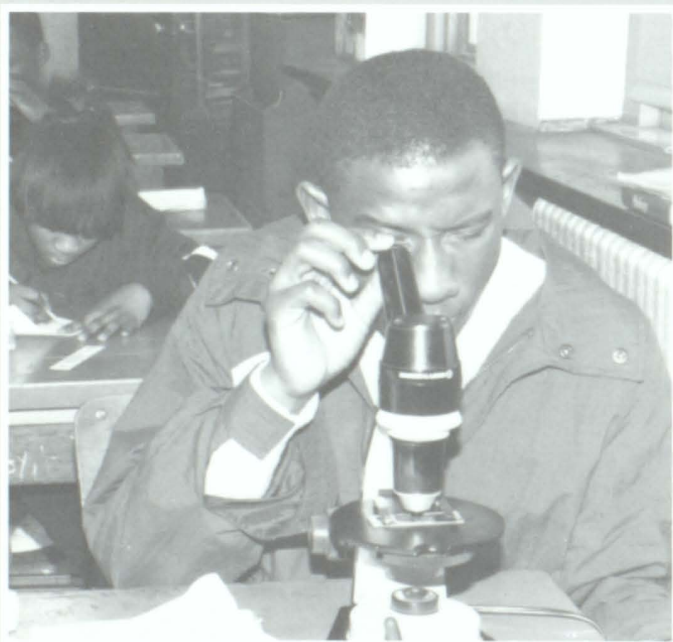

Amused by Michael Bryant's feigned seriousness, Alexandra Bonhomme hopes that he will go to class soon.

Ms. La Penta listens while a student in her physics lab defends his work.

# FROM ALL SIDES

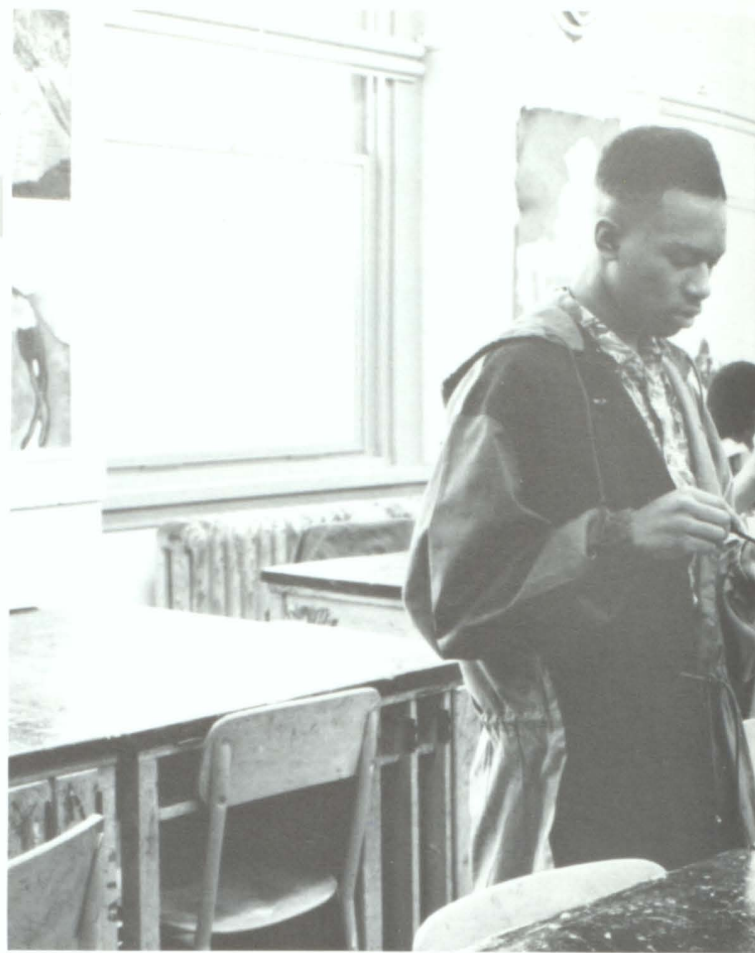

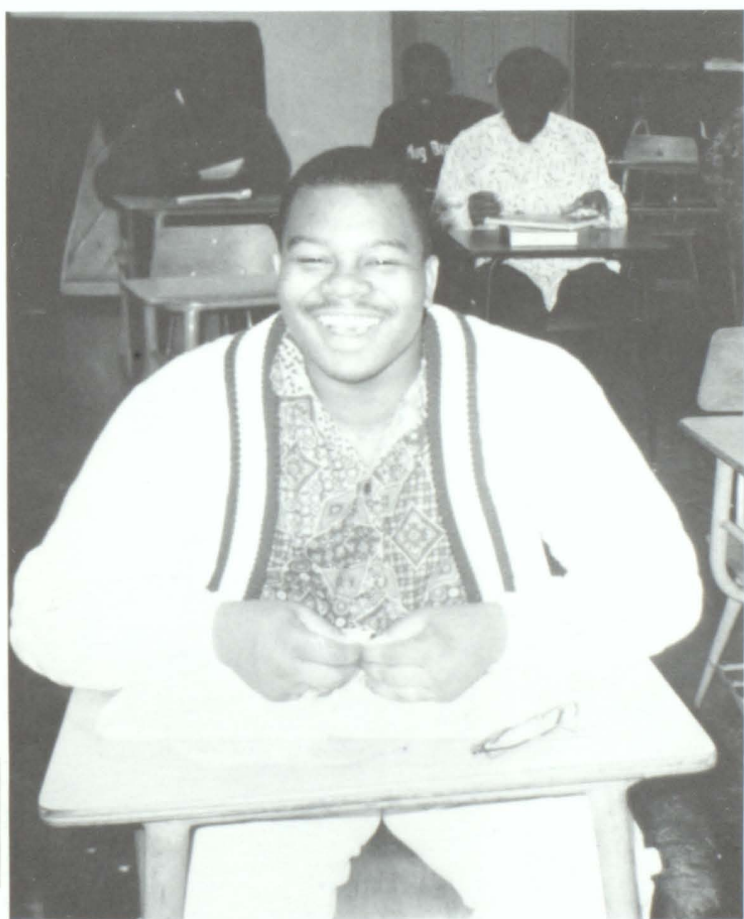

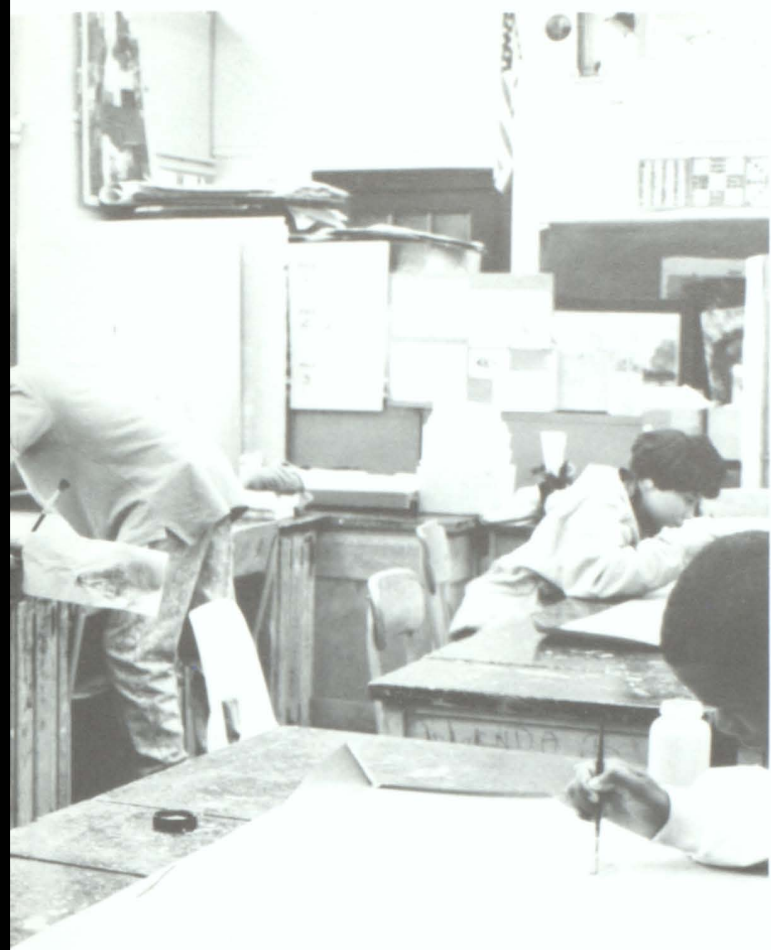

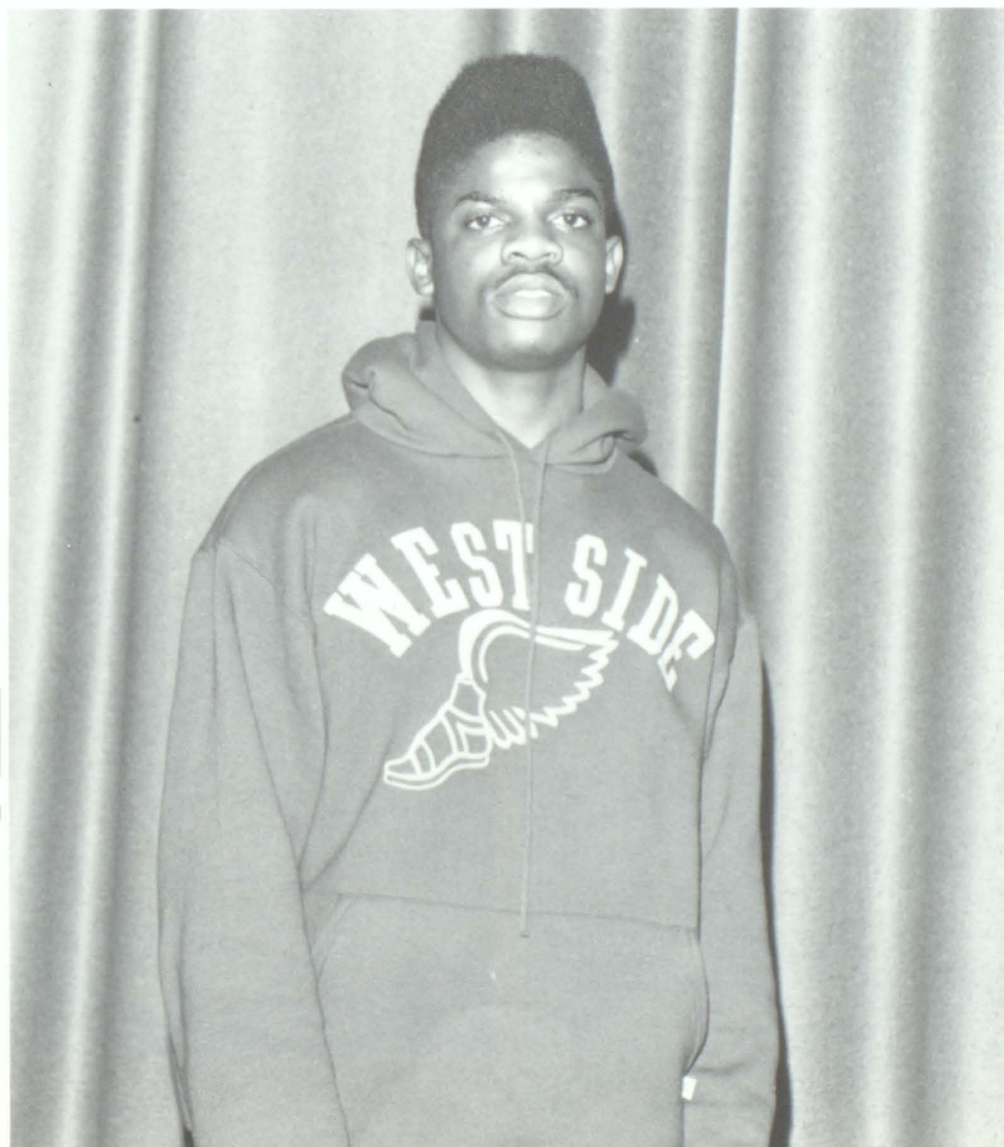

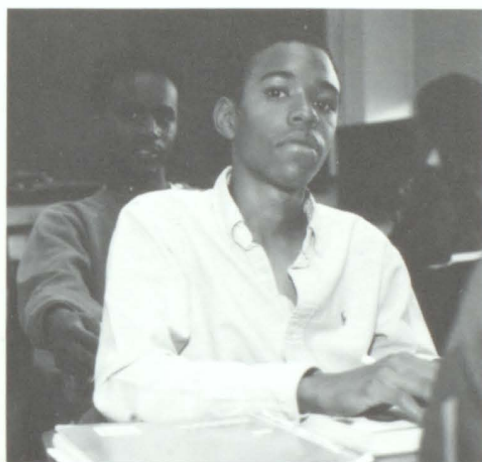

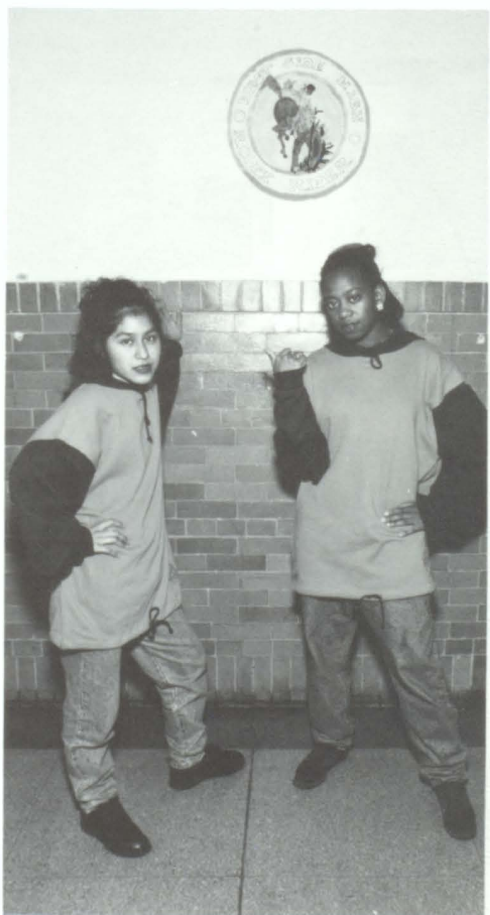

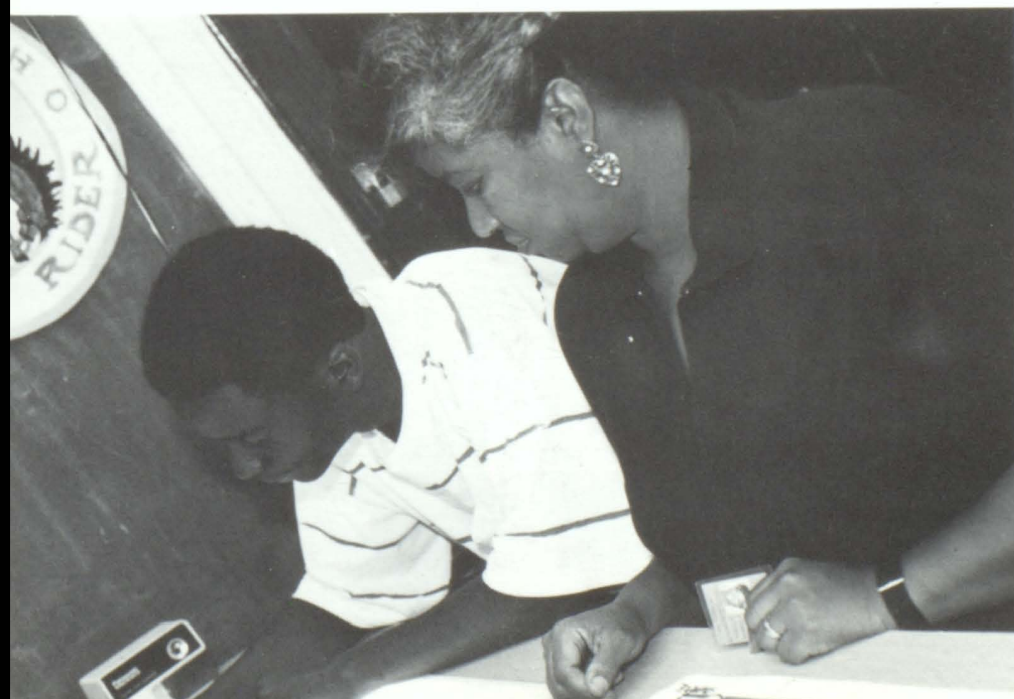

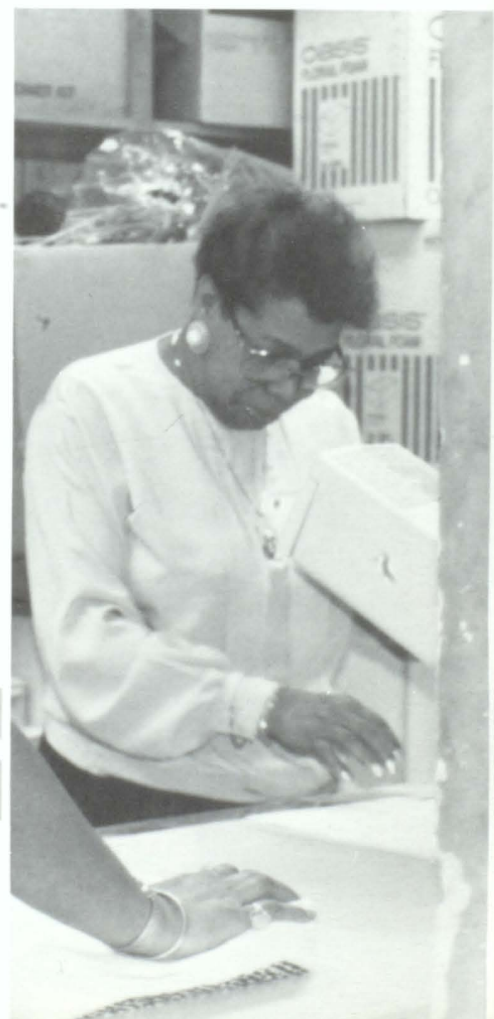

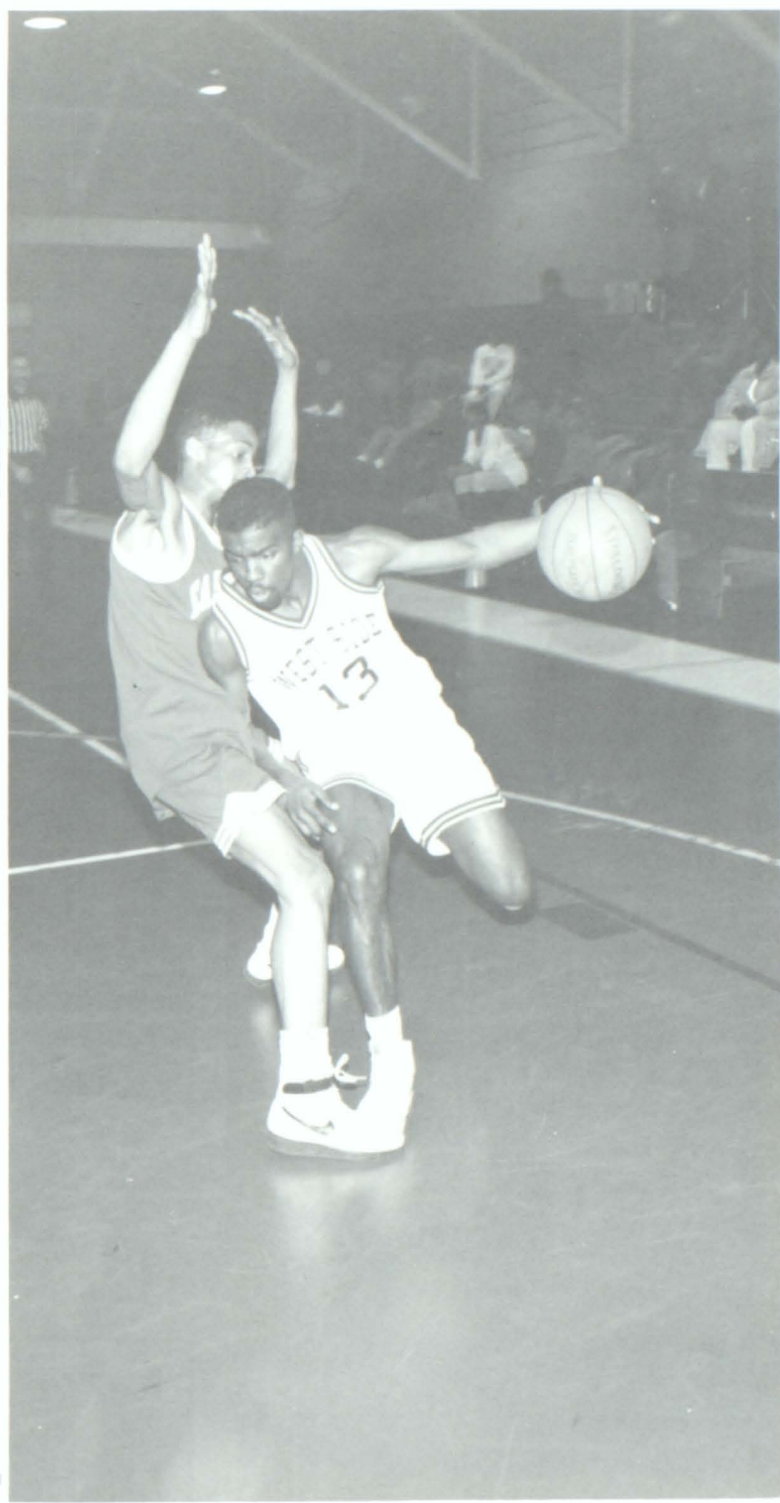

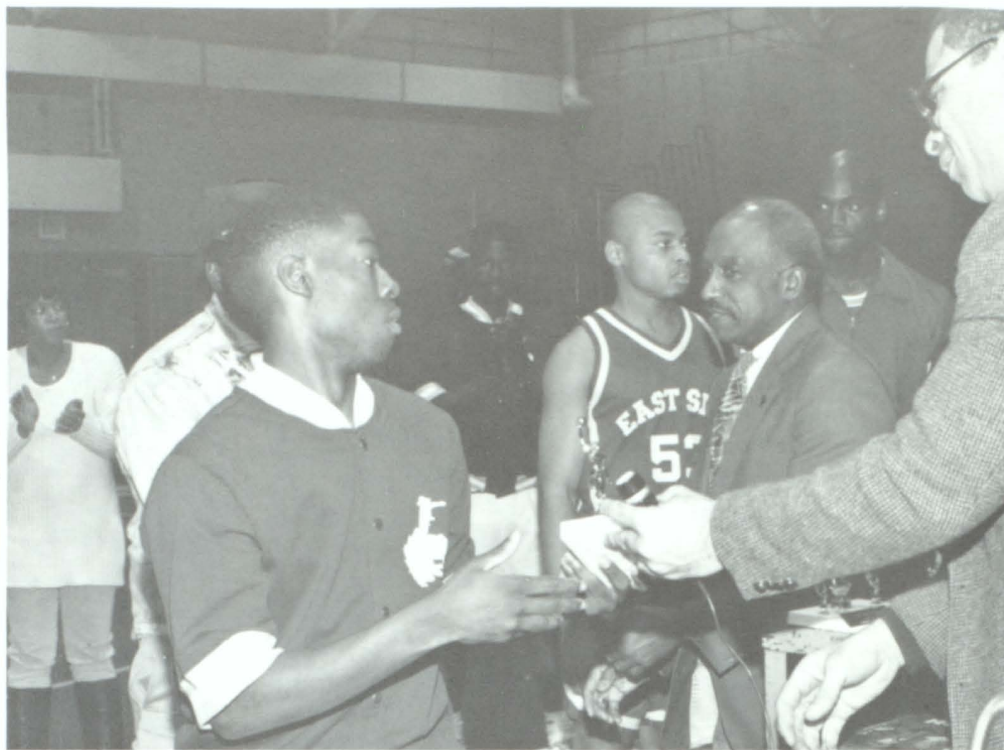

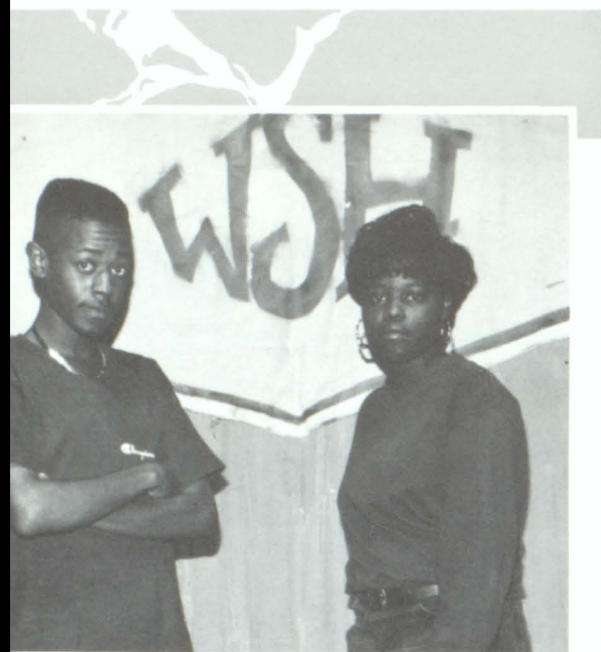

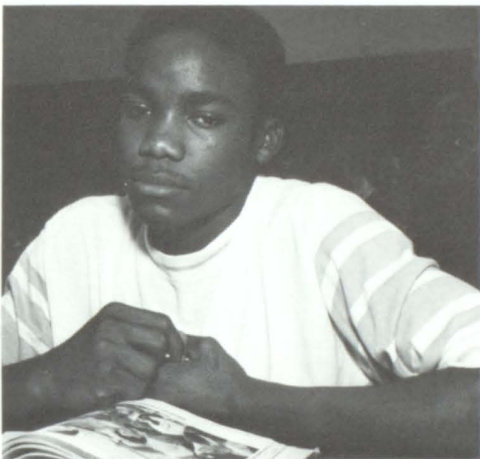

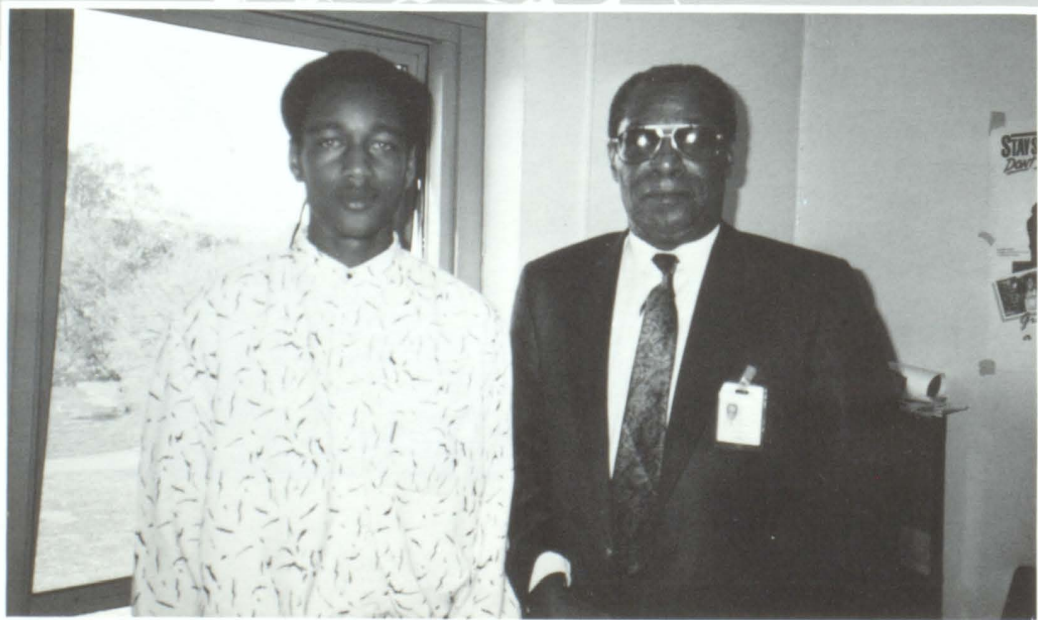

# *DARE*

Dare to be different

when all around you seek conformity

Dare to seek new and greater challenges

when all around you are procrastinating

Dare to encounter obstacles

when all around you avoid conflict

Dare to have faith

when all around you are doubting

Dare to remain strong

when all around you are weakening

Dare to continue

when all around you are quitting

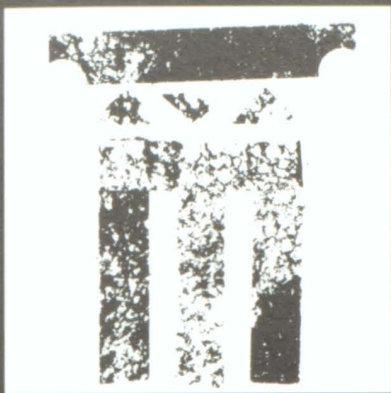

Dare to seek possibilities

when all around you see only the impossible

Dare to dream

even if no one dreams with you.
